

# Plumpton Village Action Plan

The Village Action Plan book is nearly printed and should reach you shortly.

It has been great to see so many people attending the three open events on April 22<sup>nd</sup>, May 31<sup>st</sup>, and at the Fair on 5<sup>th</sup> July. Some of you have indicated that you would be very willing to get involved, as a volunteer, in helping make the planned actions become reality. We will be in touch with you shortly. In the meantime, please note that there will be a meeting for all volunteers in the Village Hall on Wednesday 3<sup>rd</sup> September 2008. This will give all volunteers an opportunity to meet the Steering Committee and to ask questions about how the Plan will evolve. We hope, also, to spend some time explaining how decisions get made at Parish, District and County levels.

It is not too late – if you are interested in joining one of the teams please get in touch with us before 31<sup>st</sup> August. The teams to be established are:

VAP Road Safety Team  
VAP Public Transport Team  
VAP Environment Team  
VAP Footpaths Team  
VAP Communications Team  
VAP Youth Champion  
VAP Community Safety Team  
VAP Housing Data Analysis Team  
VAP Community Facility Team  
VAP Business Team

In addition, if you feel that you would like to be involved on the Village Action Plan Steering Committee, please get in touch with us to find out more – again by 31<sup>st</sup> August. Elections to the new Steering Committee will be made on 2<sup>nd</sup> September.
